

IN SEARCH OF THE ORIGINS OF RELIGIONS

Ghent 11-13 September 2015

This conference (in Ghent) will analyze factors that contributed to the origins of religion as such, the origins of a specific religion and of a specific tradition within a religion. It also includes the beginnings of the scientific study of religion. The geographical scope is global and papers can be submitted on any historical period. The aim of the conference is both to give the floor to international specialists and to Belgian researchers. Proposals (max. 300 words) and a cv should be sent to Danny Praet (danny.praet@ugent.be) before March 1, 2015.

The scientific committee of the conference will select the papers by the end of March 2015.
